EMPLOYEE OF THE MONTH

NOVEMBER 2024

"Mary is such a great team player in the kitchen. She's always willing to help out and explain things to others to keep everything running smoothly. Lately, she's been picking up a lot of extra shifts to make sure we're not short-staffed, which is a huge help. A lot of us go to Mary for advice because she's been here so long and has so much experience. She really sets the standard for what an awesome employee should be, and I'm proud to have her on the team.

Mary has also taught me a lot in my new role as a supervisor. Anytime I need help, she's there, and she's always ready to lend a hand when someone is struggling. She's just an all-around great person to work with, and I'm so glad she's part of our team."
