EMPLOYEE OF THE MONTH

May 2024

"During my transition of office roles, and just the pain of using another computer, Branden is a hero. Branden is attentive and proactive in anticipating things that will need his attention. Branden is eagerly asking if I have any issues or how things that he fixed are working, his level of customer service is top notch.

Branden listens very well, is responsive and does a great job informing you of next steps or when he will be able to fix the issue. Branden is an asset to RVCP.

Thank you Branden for always helping me when my IT skills fall short."

This event ignited the modern LGBTQ+ rights movement, leading to significant progress over the past decades.
